A CANDLE

A Candle's but a simple thing

It starts with just a bit of string

But dipped and dipped with patient hand

It gathers wax upon the strand

Until complete and snowy white

It gives at last a lovely light.

Life seems so like a bit of string

Each deed we do a simple thing

Yet day by day if on life's strand

We work with patient heart and hand

IT gathers joy, makes dark days bright

AND gives at last a lovely light.
