Seeds filled with Potential...

The 12th of July was the date on a school report of Winston Churchill, who later became Britain's leader during the Second World War. Churchill was bottom of the class and a Mr Davidson, his housemaster at Harrow School, wrote on his report: "He is forgetful, careless, unpunctual, irregular in every way... If he is unable to conquer this slovenliness he will never make a success..." Some people tend only to judge others and criticise them, never seeing anything positive

In the Gospel today Jesus talks of the seed. Within the seed is the potential for growth if the conditions are right. We can help others achieve their potential by creating the correct conditions by encouraging and supporting them. Do I look on the positive in others or do I tend to see the negative? There's bad in the best of us and good in the worst of us as the saying goes! Mother Teresa put it more succinctly; "If you judge people, you have no time to love them."

Ordination:

Today (Sunday) Sean Hyland will be ordained to the priesthood for our diocese. Sean is 67 and was married. Sadly his wife passed away a number of years ago. He then decided to follow the path to the priesthood. We remember him in our prayers and wish him a happy and fruitful ministry.

Thought for the Week:

"Hold fast to dreams, for if dreams die, life is a broken winged bird that cannot fly."

Lanston Hughes.
