Polish Easter Traditions:

The blessing of the Easter foods is a tradition dear to the hearts of every Polish Family. As an expression of their gratitude to God for all his gift, of both nature and grace, they have the food of their table sanctified with the hope that spring, the season of the Resurrection, will also be blessed by God's goodness and mercy.

This year on Holy Saturday, the 23rd April, Fr Tadeusz Durajczyk has organised the blessing in Naas for 5pm in the Church of Our Lady and St David, Sallins Road.

Confirmation; Congratulations to all our children who were confirmed during the past week. The three celebrations were a great success, although it meant more work for the school and the ladies of the ICA. For all the cleaning, sowing and planting; for all the food, cakes, tea and great hospitality; for all the great music and singing; for the preparations for the reading, praying and offering of gifts; for mummies, daddies, grannies and granddads and all the rest who came; — *thank you, thank you, thank you.* But most of all for our teachers, who have brought our children to the point of being prepared to receive the Sacrament, *a huge 'thank you'* from so many people who owe you so much. To Mr Quinn and other Secularists, who would try to put us in a box, I say — *no thank you !!* Congratulations one and all, you made it a great celebration.

Tuesday Club meets this coming Tuesday, 19th April in the Community Centre, from 2-4pm.
