Feast of St. Peter and St. Paul

Peter and Paul were unlikely choices to help continue the life and work of Jesus - Peter denied knowing Jesus and Paul had persecuted Christians! Because they were both unlikely characters and because neither of them was "perfect," we are reminded that the Lord accepts us as we are, with all our limitations.

The Lord sees the great potential for good in each person. We might ask if we have the same attitude as the Lord, towards others.

Peter and Paul are linked together because, in their different ways they did so much to inspire and build up the Church. The following is a short prayer, based on words from Saint Paul, found in a letter that he wrote to the Christians in Rome, it's a prayer we could all make our own;

"For those who love God everything works out for good, because God has chosen us to bear the image of Jesus, his Son. With God on our side, who can be against us? Even if we face hard times or are threatened, God's love is greater still and nothing can ever separate us from his love. Through all difficulties we are never failures because of the power of God's love within us." (Based on Romans 8:28-39)

Thought for the Week: "Do not wish to be anything but what you are, and try to be that perfectly." St. Francis De Sales
