Where Love Begins

Its easy to love at a distance,

But not easy to love at close quarters.

It's easier to give a few pounds to relieve famine in Africa

Than to relieve the loneliness of someone living next door.

It's easy to love people who are far away,

But not always easy to love those who are close at hand.

Yet, these are the people Christ asks us to love.

We must begin by loving the people near us.

That is where our love must start.

But, of course, it doesn't have to end there.

And it shouldn't!

Jesus said: 'A new commandment I give you:

Love one another as I have loved you'

Touch our hearts so that we may be people who are able to love and by the love we have for one another, everyone should know that we are followers of Christ.
