Luke 19: 1-10

***"MY GOD, I KNOW THIS PLACE. I AM HOME."***

Why do Catholic Christians commemorate the dead during the month of November? All Saints Day and All Souls Day set the tone for the month of November. All Souls are our family and relatives, our neighbours and friends, our ancestors, that "cloud of witnesses" who accepted the godly realism of their lives, shared it with others already on earth and continue to do so now before the throne of the Lamb in heaven.

For this reason, they are truly blessed, and give us a reason to hope, to believe, to struggle and to live. The Feast of All Souls and the month of November is a source of consolation for each of us. The consoling doctrine of the Communion of Saints allows us to feel ever close to those who have died and gives us much hope in moments of despair and sadness. The holy souls in purgatory see ever more clearly what we intuit from afar. They are already within reach of eternal life, the loving arms of Jesus; but they are not yet closely within his embrace. The sting of death has been removed, but they are still sensing the pain of love which only complete union with Jesus can heal.

The healing process is accomplished by the same love which makes the separation momentarily very painful. Our prayers for the faithful departed increase

faith and love within us; they draw us to look upon the Son with ever greater longing.

Let us spend our earthly pilgrimage filling our minds with the thoughts of heaven, so that when we finally cross over into eternal life, the images we see may not be foreign, startling or strange. Let us pray that we, too, may be able to say:

***"MY GOD, I KNOW THIS PLACE. I AM HOME."***
