### Feast of All Saints...Monday 1st November

On the Feast of All Saints we celebrate not only all those who are canonised Saints of the Church but also all our own relatives and friends who have reached the light of heaven through living lives in accordance with the commandments of God .

When we profess our belief in the communion of Saints we are reminded that we are in communion with those who have gone before us marked with the sign of faith. The various Eucharistic Prayers mention the presence of all the angels and saints, reminding us that we are close to our loved ones who have died when we gather around the altar of the Lord.

### **The Commemoration of all the Faithful Departed**

Tuesday is the day on which the Church intercedes for all those who have died. We pray especially for our own relatives and friends and we continue to pray for them throughout this month of November which is dedicated to their memory.

*O Almighty and eternal God who has dominion over the living and the dead and who is merciful to all who are faithful to you in faith and good works; we humbly beseech you that those for whom we have offered our prayers, whether living or deceased, may through the intercession of your saints and the clemency of your goodness obtain pardon and full remission of all their sins, through Christ our Lord.*

**Parish Centre:** Work is now completed on the upgrading of the building and use of the centre is getting back to normal. A renewed committee has taken on responsibility for the care of the centre and it hopes that together with all users it will be possible to keep the building in good condition. The Committee is as follows:

Chairman, Michael Ryan; Secretary, Mary Humphries; Treasurer, Mary Whelan; Bookings Secretary, Sheila Swan (045-866267); Tom Cross, Mary Cross, Anne Murphy, Marie Dunne, Bridie Hannigan, Lyla O'Connell.

**All bookings must be made through Sheila Swan.** The final cost of the renovation will be published in the Newsletter when all bills have been paid. Already it is clear costs have exceeded the funds held by the Centre itself. In the short term it is clear that the centre itself will have to meet all its own running costs and so users will have to pay reasonable fees.
