In the name of the Father and the Son and the Holy Spirit:

Today we celebrate the Trinity which is one of the greatest mysteries of our faith. We believe in one God, who is made up of three divine persons. The Trinity is a natural part of our daily faith lives.

We commonly see people bless themselves as they pass a church or cemetery... they do so "in the name of the Father and the Son and the Holy Spirit..." We start our prayer and the celebration of the Eucharist with this signing of the Trinity also. The Trinity is about relationship, a community of love between Father, Son and Spirit. We are invited into the life of the Trinity, to share in this relationship. This is made very clear in the well known image of the Trinity by Rublev. In it we see the three divine persons united in a relationship of love. There is an empty place at the front of the table where we are invited into this profound love.

How are you responding to this invitation in your life?

A Student's Prayer:

O Lord, I pray my mind be rested, my body energised and my spirit inspired for the exam I must undertake.

Grant me peace and assurance so that I might do my best, regardless of what that may be.

May I be honest and insightful and be able to give a true record of what I have learned.

In the end, may I know you have a special plan for me in life and You are with me every step of the way. Amen.

Novena Prayer to the Sacred Heart, whose Feast Day is on Friday, 15th June:

Lord Jesus, the needs of your people open your heart in love to each of us. You care for us when we are lost, sympathise with us in loneliness and comfort us in mourning; you are closest to us when we are weakest. You love us most when we love ourselves least; you forgive us most when we forgive ourselves least; you call us to spread your love in whatever way we can.

Lord Jesus, your heart is moved with compassion when we are suffering, when we need your help and when we pray for each other. I ask you to listen to my prayer during this novena, and grant what I ask..... If what I ask is not for my own good and the good of others, grant me always what is best for me, that I may build up your kingdom of love in our world. Amen.
