You Can Make A Difference!

Nurturing lay leaders and volunteers has long been the backbone of the Catholic mission. Inspired by Pope John XXIII's 1959 encyclical *Princeps Pastorum*, calling for more laity involvement in the Church, Catholic parishes everywhere opened their doors welcoming those who felt called by God to assist in the work of evangelisation.

This groundbreaking initiative was further fuelled by Vatican II, which also heralded the importance of lay volunteers in the life of the Church. Volunteering is integral to the day-to-day life of our parish and we celebrate the many ways in which our people give of themselves in service to the Church.

Please take a few moments to browse through the list of those groups operating within our parish and, if you feel called to service in any area, please highlight the area(s) you would like more information on by placing a tick in the space provided, beside the relevant group(s).
