Mt. 10:37-42

'Nothing can separate us from the Love of God' (Romans 8:39)

A message from Fr Liam

Some guidelines as we look forward to our return to Public Worship.

We continue to encourage you to join us via radio or webcam, should you wish to or should you be unable to attend Mass for any reason. The webcam Masses will include Spiritual Communion.

1. Access to the Church in terms of seating capacity will be severely restricted (adhering to social distance).
2. You will need to take guidance from stewards, this will require patience and understanding from all concerned.
3. You may not be able to sit in your familiar, favourite seat.
4. There will be entrance only and exit only through designated doors.
5. The **wearing of a mask is strongly recommended for all attending Mass.**
6. Having a **personal supply of hand gel in your pocket** is strongly advised for personal use prior to reception of Holy Communion.
7. When the Church has reached its designated capacity inside, parishioners may be asked to stand outside.
8. Dress for all weathers, bring an umbrella and perhaps a small seat or stool, for outside use.
9. Mass will be relayed to people outside by loud speaker and other technologies.
10. Reception of Holy Communion will follow a one way system inside the Church, taking guidance from the stewards.
11. Holy Communion will be taken on to the hand only at this time.
12. If you are taking part in Mass outside the Church, Holy Communion will be brought to you.
13. Exiting the Church will be directed by the stewards.
14. As you leave the Church grounds, the development and offertory collection will be taken together. You may place your contribution in the 'collection buckets'.
15. As Sunday is temporarily not a day of obligation for Catholics. You are strongly encouraged to consider attending a weekday morning or evening Mass. This would suffice as your 'Sunday Mass'. Attending just one Mass in the week is encouraged, therefore enabling people to be equally spread out.
16. If you decide to come to Mass every day, parishioners should attend just **'one Mass'**, so as to allow others the opportunity to attend Mass.
17. And at all times each of us must exercise 'personal care and responsibility'.

It is not my intention to burden people with guidelines and protocols, however in returning to Bishop's House a **'Declaration of Readiness'** we are duty bound to be compliant in every way. Thus ensuring the health, safety and wellbeing of all parishioners.

A return to Public Worship, however gradual, will be a source of great joy and hope for our three Parishes. Following guidelines should not in any way compromise the integrity of the liturgy. Indeed, every effort should be made to support active, prayerful and joyful participation.

Important to remember, no matter what the present or the future brings, ***'nothing can ever separate us from the love of God'***.

With every blessing, *Fr Liam*
